

FIND YOUR NATIONAL NIGHT OUT FORTUNE

Create your own Safety Fortune Teller: 1. Cut along the dotted line so you have a perfect square. 2. Flip it so pictures and words face down. 3. Take each corner and fold in to the center, creating a new, smaller square. 4. Flip it so words face up. 5. Take each corner again and fold in to the center, showing numbers and an even smaller square. 6. Fold in half to see two pictures on either side. 7. Unfold to see numbers again. 8. Then fold in half from the other direction, showing two different pictures on either side. 9. Finally, tuck your thumbs and pointer fingers underneath each paper flap, and push together to finish. You are now set to play!

Have fun telling fortunes! Ask a friend to choose one of the four characters. Spell that word out while moving your fortune teller in and out for each letter. Then have your friend choose one of the numbers that is showing. Move your fortune teller in and out the same number of times, and repeat. When you finish, have the person choose one of the four visible numbers. Open that flap, and read their fortune or safety tip.
